## Immunization Requirements

Cedar River Dog Farm **only** accepts clients with dogs that are **fully vaccinated** with the following, in accordance to King County laws and regulations:

**Date Due:** DHLPP\_\_\_\_\_ \*Bordetella\_\_\_\_\_ Rabies\_\_\_\_\_ Fecal Float (optional)\_\_\_\_\_

\*Owner understands that even if owner's dog(s) is vaccinated against kennel cough (Bordetella), there is a chance that owner's dog can still contract kennel cough. I agree that I will not hold Cedar River Dog Farm responsible if owner's dog(s) contract kennel cough. **Please initial:** \_\_\_\_\_

\*\*Proof of current vaccination is required in order for dogs to come to daycare/boarding. Dogs without proof of vaccination will be turned away, regardless of reservation. **Please initial:** \_\_\_\_\_

## Understanding Daycare and Boarding

Please keep in mind, that you are agreeing for your dog to be outside to play and enjoy the company of other dogs in a supervised manner, with trained staff members. We want dogs to have fun, play and engage with each other. Despite our best efforts, dogs may get scratches, nips, scrapes, etc, just as a child might get by playing on the playground. **Please initial:** \_\_\_\_\_

Any dog that causes a fight will be asked not to return. Should your dog cause intentional/unreasonable injury, you may be liable for veterinary care for the injured dog, depending on the choice of the owners of the injured dog. **Please initial:** \_\_\_\_\_

Also be aware that dogs can get colds, flu, or parasites, regardless of vaccinations/medications. Dogs can be carriers without displaying symptoms. Should any dog present possible symptoms, that dog will be quarantined until the owner or their emergency contact can retrieve the dog. If you are unsure if your dog is sick, do not bring your pet to daycare/boarding until you have your dog cleared. Dogs are susceptible to such things just as much as humans. **Please initial:** \_\_\_\_\_

As a licensed commercial kennel, we are required to adhere to county regulations regarding noise. If your dog is a "repetitive barker", we will use every method possible to calm them, and make them feel safe & comforted. If all else fails, we will use a citronella bark collar at the time, and you may be required to bring your own for future boarding, or your dog will not be permitted to return and any reservations revoked. Alternatively, you may be called to pick up your dog, if the collar is ineffective in preventing barking.

We do not allow: shock, electric, vibration, martingale, pinch, prong, choke, or studded collar inside the facility. The owner is in charge of putting on and removing any such collar, and the staff will not hold the leash of any dogs wearing such collars. **Please initial:** \_\_\_\_\_
